THE SPIRIT OF THE NORTHEAST

As the city's oldest neighborhood, Northeast Minneapolis has always been a destination, attracting populations new to Minnesota and drawing together diverse communities with offerings for everyone. The Northeast boasts a rich, walkable amenity base featuring abundant art galleries, local brewpubs and restaurants, and convenience retail, as well as access to the riverfront, bike trails, and parks - all creating an urban oasis on the east bank of the Mississippi River.

The Northeast community has been growing, with over 3,000 apartment units that have been recently delivered or are under construction.

Employees, residents, and visitors alike can enjoy efficient access to the CBD and freeways, and best-in-market parking options within the neighborhood.
